

WALL MOUNT PDW T XL

ORDER CODE: 100013412

Universal X-Large wall mount with tilt function for NEC Large Format Displays from 65" to 98"

The PDW T XL delivers enhanced display compatibility, accommodating Large Format Displays for use in either landscape or portrait mode. Its open wall plate architecture delivers placement flexibility and increased electrical and cable management access. Unique pre-tensioned tilt display adapters provide one-touch tilt viewing angle adjustment completing the perfect flat panel installation.

PDW T XL side view

Delivering Genuine Benefits

Only one mount for landscape and portrait orientation

Universal display adapters easily hook onto wall plate for fast installation

Tilt adjustment up to 15° of forward tilt and -5° backward tilt for optimal viewing angle

Offers pre-set tilt positions of -5°, 0°, 5°, 10°, 15°

Pre-tensioned universal tilt display adapters allow for tilt adjustment without the use of tools

Easy-grip lever locks the display position into place

Integrated security options available

Optional video conferencing shelf PD01VC available (mounts directly to the wall to install above or below the display)

VIDEO CONFERENCING SHELF PD01VC (OPTIONAL)
